Gloss Level: 15-25

PHS8-20033 Raynor Beige *S-KB*  
Gloss Level: 60-70

## Powder Coat Alternative to Anodizing

**ArmorBrite™ powder coat offers six anodize color equivalent colors. Powder coating has several advantages over anodizing:**

- Shorter lead times - usually by weeks
- Easier touch-up. Anodizing is difficult to match
- Hides surface imperfections that will be seen through anodizing
- Saves money

DSZ6-60012 Clear Anodized *A215*  
Gloss Level: 75-85

DDS1-60005 Medium Bronze *A302*  
Gloss Level: 10-20

DDS2-60033 Extra Dark Bronze *A304*  
Gloss Level: 25-35

DHS2-60062 Champagne *A300*  
Gloss Level: 15-25

DNS2-60072 Dark Bronze *A303*  
Gloss Level: 15-25

DBS2-60026 Raynor Black *A305*  
Gloss Level: 25-35
