

Attractive and Attractively Priced.

Charleston gives you features not usually found in an economically-priced residential garage door - distinctive raised colonial panel styling and an authentic woodgrain texture.

A full 2-inches (50.8 mm) thick, Charleston door sections are made from durable, hot-dipped galvanized steel with welded and stainless steel riveted construction.

Featuring an attractive baked-on white polyester finish, a variety of decorative window options, and available energy-saving insulation, Charleston offers style at an affordable price.

Built Tough To Last.

Charleston has heavy-duty, hot-dipped galvanized steel sections with an epoxy primer and a baked-on polyester finish to resist rust and impact. A galvanized steel track ① and durable, steel wheel, ball bearing rollers ② assure long lasting performance. To protect against the elements, a bottom weatherseal ③ provides an effective barrier along the entire length of the door. Roll formed tongue-and-groove meeting rails ④ seal out wind, rain and snow. Finally, a thick core of optional polystyrene ⑤ insulation helps keep your garage quieter and more comfortable.

Professional Installation From Your Raynor Dealer.

Every Raynor garage door is installed by a trained Raynor professional. Our expert installers make sure it's done right the first time, so your door gives you reliable performance day in and day out, year after year.

Warranted Top To Bottom.

The Charleston garage door is covered by a "For As Long As You Own Your Home" warranty against the door sections rusting through. Charleston is also backed by a 1-year track, spring and hardware warranty. See your Raynor Dealer for complete details.
